I just wanted to thank everyone for all the kind words, gifts, treats, and wonderful food that was provided a couple of weeks ago for teacher appreciation week. I was sick last week which is why there was no newsletter or thanks for all of the goodies and gifts- sorry about that.

I really can't believe the school year is coming to an end. It has gone SO quickly. We work very hard helping students achieve their best; it is not an easy job but one I wouldn't trade for the world. Thank you all for your continued, and unwavering support.

6th grade students have been doing great working through boot camp (Middle School Prep) this week. They all seem to be proficient with their combination locks now; they're learning how social situations change in middle school, how to manage multiple classes, and are finishing up their 6th grade slides. They also visited Skyview Middle School today, in order to get an idea of what next year will be like.

Our intermediate 4th and 5th grade students all ran the mile run in gym this week. 6th grade students will be running the mile Monday morning, so please have them ready to run.

Students have been working on our All School Slide Show this week. I'd like to thank all of our teachers, parents, kids and especially Mrs. Fann for helping get photographs to use for this process. The All School Slide Show will be shown this coming Monday morning around 9am in our gym.

They have also been working on a "Bridge Building" STEM project all week. We will test the bridges tomorrow- students are very excited.

Don't forget the rest of our School Spirit Days: Friday-crazy hair day, Monday-comfy day, Tuesday-hat day, Wednesday-Hawaii day.

Thanks for all you do; I am blessed working with all of your children. Please contact me if you have any questions or concerns. 260-9221 or mfaris@kpbsd.k12.ak.us

Sincerely, Mr. Faris
