- May 5th, RCA visit for 6th grade students.
- 6th Grade visit Skyview May 11th in the morning
- 6 Grade graduation May 18th and last day of school

Hello parents and guardians. I hope you have had a good week. Students took the AK STAR assessments this week. They were very diligent, and hard working but the tests are long. We did art rotations in the afternoon to try and give them a break. You can see their art at our school Art Night next Wednesday in our gym from 5:30-6:30.

Along with that ART Night, the PTO is putting together baskets to silent auction as a fundraiser. Our class is collecting "pet items" for a pet basket. If you have any gently used or new pet items you are able to donate, please send them in by Tuesday.

I am sending a gear checklist for Peterson Bay in your child's Thursday Folder. I also emailed a link to everyone in order to sign up for food donations for this trip (the first link didn't work, but the second should be fine). Just write your last name next to the food item. If you haven't turned in permission slips for Peterson Bay, please do so. If you are planning to chaperone, I'd like to have a short meeting right after school on the 18th. I'll send home a tentative schedule for the trip next week, but we will leave on Wednesday morning, and return Friday evening around 5:30-6pm.

Our intermediate classes will be all be going to the Nikiski Pool next week on April 13th. We will leave about 10:30 in the morning, and be back at school around 3. If you haven't sent the permission slip back, please do so. The cost will be \$10 for the trip. If you are able to help at the pool (you don't have to get in the water), please let us know.

If you have any questions or concerns, please contact me at anytime.

Thanks, Mr. Faris
